

## ***Prayer points for this week***

**Sunday. Praise the name of the Lord.** Psalm 148:13 *'Let them praise the name of the Lord, His name is greater than all others; His glory is above earth and heaven.'* We are a privileged people to be able to do so; let us come to worship our Lord God!

**Monday.** Recall the people who sat around you in Church yesterday (or on a previous Sunday). Some will have worries, concerns, illness, grief, aloneness; others may be celebrating. Ephesians 6:18 reminds us *'... be alert and always keep on praying for all the Lord's people.'* Pray generally for their good and welfare, and their walk with the Lord.

**Tuesday.** Give thanks to the Lord for the measure of health and strength, and other blessings that you have. Ask God to guide you to other people with whom you can share a blessing; use any opportunity that comes your way today. *'Freely you have received, freely give.'*

**Wednesday.** As the Westminster Government struggles to work effectively to keep our nation together & economically sound, now & into the future, continue to pray for those in leadership roles. May God guide & provide wisdom for the crucial decisions that are required. Pray that once again the sovereignty of God will be recognised & honoured.

**Thursday.** Let us pray for Somalia, one of the countries of Sub-Saharan Africa, where people are in serious danger from disease, starvation, malnutrition. Children hungry, livestock dying, crops failing, & families losing any way of making an income. Please pray & give (if possible).

**Friday.** Give thanks for the talents of those who lead us in praise each week. Pray for Mark, Craig, Johnny, the various singers, and the Praise Group. May they each know blessing as they enhance our worship of the Lord, help us to learn new songs, and honour God.

**Saturday.** Please pray for the services tomorrow, that all attending will come with hearts & minds prepared to meet with Almighty God. In the morning, pray for John as he leads, and Noble McNeilly bringing God's message; in the evening for Richard taking the *'Praise & Prayer'* service - another opportunity together to worship our Saviour & Lord.
